

TURBO RACES

The banner features a central speedometer with a white needle pointing to the right, set against a red and black background. The speedometer is surrounded by a glowing blue aura. Below the speedometer is a pile of gold coins. The title 'TURBO RACES' is written in a large, bold, italicized font with a blue outline and a white fill. The background is a dark blue gradient with several gold coins floating around.

+21% GGR during campaign

Live leaderboard. No waiting.

Scores update in milliseconds, so players instantly see who they need to overtake, who is catching up.

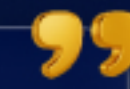

Keep every race live, urgent and worth chasing!

Why *TURBO RACES* matters

Short recurring leaderboard races that turn prime-time play into daily engagement habits.

Frequent return triggers.

Multiple Turbo Races create repeat reasons to return throughout the day.

Time-limited competition.

Short race windows add urgency and drive quick engagement peaks.

Fast prize cycles.

Players can compete, win and return for the next race without long commitment.

Prime-time scheduling.

Race timing helps concentrate activity when players are most active.

Session extension.

Players stay longer to secure a top position or join the next race.

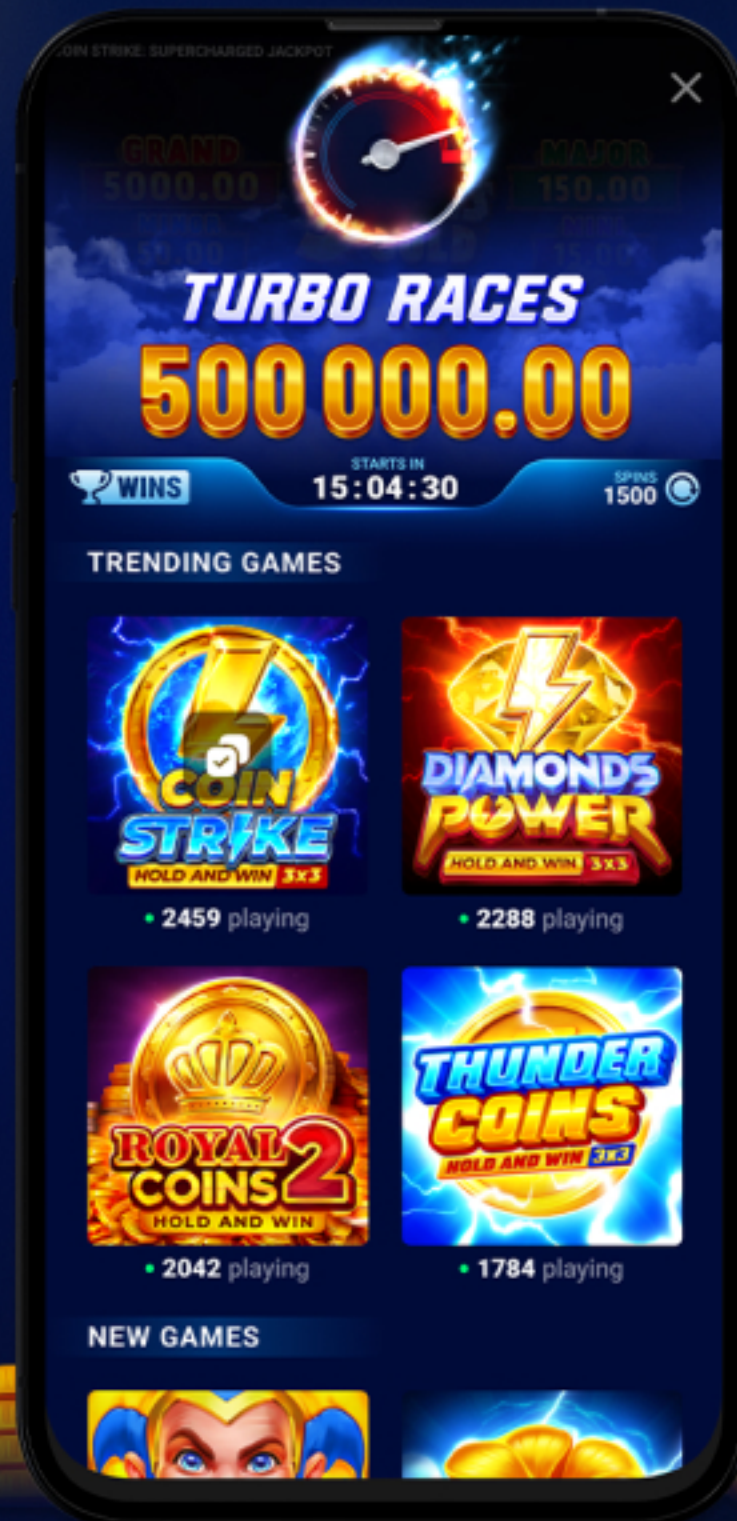

Simple player message.

OPT-IN - PLAY - CLIMB FAST - WIN.
